NASH

designed by Mauro Lipparini 2017

STRUTTURA: metallo.

IMBOTTITURA STRUTTURA: struttura e schienale in poliuretano espanso a quote differenziate (HR30-28 + NF21-20), rivestito con tomana gr.380. Seduta in poliuretano espanso a quote differenziate (HR36-36 + limpha 40M + SOFF35s), rivestito con tomana gr.380.

PIANO DI MOLLEGGIO: cinghie elastiche.

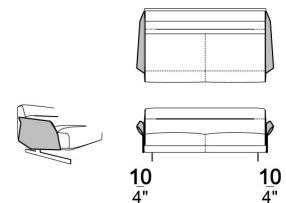

BRACCIOLO: poliuretano schiumato a freddo. Attenzione è realizzabile solo in pelle.

ALTEZZA SEDUTA: 40 cm

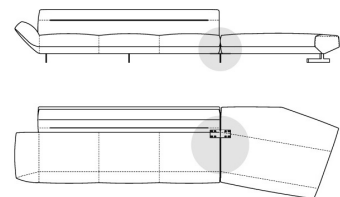

ALTEZZA BRACCIOLO: 56 cm (fisso); 50/55 cm (con bracciolo in pelle codice 6109760 e 6109761).

PIEDI: metallo, finiture: titanio o black nickel oppure verniciato marrone micaceo o oxy grey, h.12,5 cm.

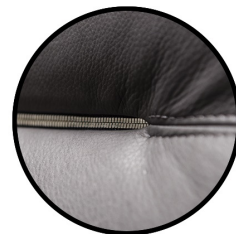

L'aggiunta del bracciolo in pelle comporta l'aumento della lunghezza dell'elemento di 10 cm.

In alcune composizioni i piedi di serie nel lato di unione degli elementi vengono sostituiti da un piede centrale di collegamento.

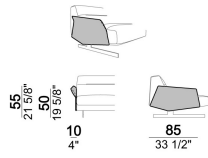

Nello schienale è possibile sostituire la cucitura con una cerniera decorativa in metallo con supplemento.
