

Peanut B

Mauro Lipparini

Il gusto di poter creare la composizione più adatta: Peanut B., grazie ai numerosi elementi a disposizione, è un divano estremamente versatile, che si adatta ad ogni esigenza di spazio e di stile. L'imbottitura, in piuma bianca, lo rende particolarmente confortevole; è possibile inoltre includere nella composizione alcuni elementi con meccanismo a slitta, che permette di allungare la seduta per un comfort ulteriore. Il rivestimento, completamente sfoderabile, è disponibile in tessuto o pelle.
